## **8. General Information**

### **◆ Weather**

The month of September in Korea is end of summer and beginning of autumn. The ideal time to visit to Korea is during autumn months(September-November). During this time, the country experiences warm and sunny weather, skies are cobalt blue and spectacular foliage that is perhaps the biggest draw.

### **◆ Time Zone**

The time zone is Greenwich Mean Time +9 hours. Please note that there is no daylight savings in Korea.

### **◆ Currency**

The basic currency of Korea is Won (KRW). Specifically, various notes and coins are used : Notes include 1,000 Won, 5,000 Won, 10,000 Won and 50,000 Won denominations, while coins include 10 Won, 50 Won, 100 Won, and 500 Won denominations. Foreign bank notes and traveler's check can be converted into Korean Won at foreign exchange banks and other authorized money exchange outlets.

### **◆ Credit Card**

International credit cards including VISA, AMEX, Diners Club, MasterCard and JCB are widely accepted at major hotels, department stores, restaurants and retail outlets. Check with your credit card company for details of merchant acceptability and other services which may be available.

### **◆ Electricity**

Korea has a 220-volt AC, 60Hz electrical current. Visitors from certain countries need an adaptor for electric appliances.

### **◆ Tip & Tax**

Service charges are included in your bill for rooms, meals, and other services at hotels and upscale restaurants. Koreans occasionally do tip when they are especially pleased with the service they receive. Foreign tourists can receive nearly 10 % VAT refunds for purchases at Duty Free shops. Goods must be taken out of Korea within three months of purchase to be eligible for a tax refund. Visitors can receive a refund on a receipt for a minimum purchase of KRW 50,000 (around USD 43). To receive this refund, present

receipts with the purchased goods at the customs clearance desk at Incheon International Airport when departing.
