

## Cost of participation and partnership opportunities

**130 000 RUB\* –**

### **Delegate participating in all events of the Forum**

\*For members of the National Gas Vehicle Association or the Russian Gas Society, there is a 50% discount on participation in the event.

In addition, you could highlight your participation by becoming a partner of the Forum.

The status of the Forum partner will allow you to position yourself as a system-forming market participant, participate in the formation of the event program and significantly increase the awareness of Forum participants about your company, its projects and products.
